

Carolyn Rosenblatt and Dr. Mikol Davis from Aging Investor.com

CAROLYN ROSENBLATT, R.N., B.S.N.

Attorney, Mediator

Carolyn Rosenblatt has over 45 years of experience in her combined professions of nursing and legal practice. She has worked extensively with geriatrics and legal issues of aging. She and her husband, psychologist Dr. Mikol Davis, founded AgingParents.com, a resource for families, located in San Rafael, CA. Together, they provide expert advice, family meetings, and guidance for those struggling with problems related to aging loved ones. They also founded AgingInvestor.com, a consulting and education source for the financial services industry about aging clients, and best practices for managing cognitively impaired senior investors.

Ms. Rosenblatt blogs weekly for Aging Parents, on Forbes.com. She is published in national legal and nursing journals on the legal aspects of caregiving, resolving family conflict, and the healthcare issues of aging. She also is a strong advocate for healthy aging and leads by example in fitness to maintain health.

Ms. Rosenblatt is a frequent speaker for organizations, care facilities and industry groups. She is the author of *The Boomer's Guide to Aging Parents*, help for those who are taking on the caregiver role in their lives. She is quoted in numerous publications including the Wall Street Journal and PBS Next Avenue blog.

Dr. MIKOL DAVIS, Ed. D, Clinical Psychologist,
Gerontologist, Author, Mediator

Dr. Davis is a clinical psychologist and gerontologist with 40 years of experience in mental health & telemedicine. He has a particular interest in elders and the issues of aging as it affects families. He evaluates elders for capacity for decision-making and is skilled in assessing and diagnosing dementia and financial capacity in those with cognitive impairment. He provides individual counseling, family meetings in person and by phone or telemedicine, and helps resolve family disputes about aging loved ones. He also offers consulting packages for those going into retirement, to aid in a mentally healthy transition and a satisfying next phase of life. He has expertise in intergenerational issues involving businesses, wealth transfer and difficulties with communication among family members.

Dr. Davis creates and produces information products for caregivers and facilities. He is also a frequent speaker on how to reduce stress in those caring for elders and mental wellness in retirement. Dr. Davis blogs at AgingParentsblog.com, drmikol.com, preventivegerontologist.com, and aginginvestor.com
